

## Action Taken Report

### Academic Year 2022-23

The Feedback Committee of the institution designs and collects feedbacks from various stakeholders such as Students, Parents, Alumni and Teachers to monitor and evaluate its performance quality on curriculum, Teaching-Learning Process, Ambience, Facilities and on various other aspects related with the stakeholders. The collected Feedbacks from the stakeholders are analysed and accordingly action is taken by respective authorities. This helps to establish and maintain a quality culture focused on overall institutional excellence.

### Students Feedback Analysis

Sr. No.	Suggestions	Action Taken
1	Course on Professional Communication Techniques should be conducted.	Business Communication Training and Leadership & Team Building courses are taken.
2	Strengthening extra-curricular Activities.	Cultural and Sports activities are conducted.
3	Students emphasized on more industry visits based on the courses.	Formal instructions were circulated to all Heads of the department through competent authority for addressing the issue of organizing more industry visits periodically based on the courses conducted.
